

João Gilberto - Violão Amigo

tom:

D

Violão amigo ouve os meus ais

ouve os meus segredos não suportto mais

Talvez tu comprendas meu sentir

Quero exprimir neste samba, tudo que sofri

Quem de mim sorrir por certo há de chorar

Quando vir alguém cantar

Poeta eu fui embora sem querer

Cantei em versos o meu sofrer

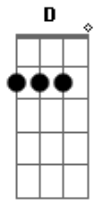

Violão amigo eu canto por consolação

Trago esta mágoa sentida no meu coração, violão

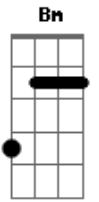

Quem de mim sorrir por certo há de chorar

Quando vir alguém cantar
