Já conheço os passos dessa estrada

Sei que não vai dar em nada

Seus segredos sei de cor

Já conheço as pedras do caminho

E sei também que ali sozinho

Eu vou ficar tanto pior

O que é que eu posso contra o encanto desse amor

Que eu nego tanto, evito tanto

E que no entanto volta sempre a enfeitiçar

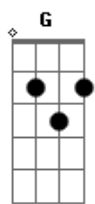

Com seus mesmos tristes, velhos fatos

Eu teimo em colecionar

Lá vou eu de novo, como um tolo

Procurar o desconsolo que cansei de conhecer

Novos dias tristes, noites claras

Versos, cartas, minha cara ainda volto a lhe escrever

Pra lhe dizer que isso é pecado

Trago o peito tão marcado

De lembranças do passado e você sabe a razão

Vou colecionar mais um soneto

Outro retrato em branco e preto

A maltratar meu coração
