

# Joao Lucas - Turning Into One

Tom: **D**

It took me one time to see you passing by  
 I just couldn't believe what i saw with my eyes  
 You probably don't remember but i kept staring  
 Every single detail, i was captivated  
 By your eyes your lips, now i may be ashamed  
 But all i wanted back then was to know your name  
 To add you in my life, to appreciate the sight  
 So glad i found you just in time

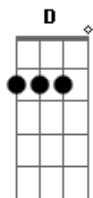

I'm tryna be my best i'm tryna be the greatest  
 You're the only one i swear i am so entertained  
 I can do it all, i'll do untill i'm done  
 I'm focused on both of us turning into one  
 Turning into one, one, one  
 Both of us turning into one  
 Turning into one, one, one

I need some air right now you're what i'm looking for  
 Someone to fill my heart, to remove all of my sore  
 We're on the phone till late night, no i ain't the same  
 But i'm betting on you, yeah i'm stuck into your game  
 No i've never felt like this before  
 I can never get enough and i always want more  
 You do it all the time you can't even control  
 The way you keep me falling back to you

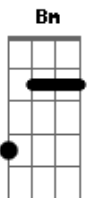

I'm tryna be my best i'm tryna be the greatest  
 You're the only one i swear i am so entertained

I can do it all, i'll do untill i'm done  
 I'm focused on both of us turning into one  
 Turning into one, one, one  
 Both of us turning into one  
 Turning into one, one, one  
 In two seconds i was taken pretty much shaken  
 But i was scared tryna keep my heart from breaking  
 In the last time, i did it all i could  
 So maybe that's the reason why i tried not to think of you  
 But i was too weak you're such a masterpiece  
 And when i got to know you i got down on my knees  
 First to thank God cause we were so alike  
 And then i said please let me make it out alive  
 Every girl around you wants a taste  
 But i won't blame 'em cause i felt pretty much the same  
 But now a taste just ain't enough  
 I want every single inch of you just for my own  
 Come and be mine i won't let you regret  
 I'll remind you who you are and why i love you so bad  
 I swear to you i'll have strenght and trust  
 And if you're not strong then i'll hold the both of us  
 I'm tryna be my best i'm tryna be the greatest  
 You're the only one i swear i am so entertained  
 I can do it all, i'll do untill i'm done  
 I'm focused on both of us turning into one  
 Turning into one, one, one  
 Both of us turning into one  
 Turning into one, one, one
