m <sup>Am</sup>  
 Não posso ver-te triste, porque me mata <sup>Dm</sup>  
<sup>E</sup>  
 Teu semblante infeliz, meu doce amor <sup>Am</sup>  
<sup>F</sup> <sup>G</sup> <sup>C Am</sup>  
 Me causa pena, o pranto que tu derramas  
<sup>Dm</sup> <sup>E</sup>  
 E se enghe de angústia, meu coração  
<sup>Am</sup> <sup>Dm</sup>  
 Eu sofro mais que tudo, se te entristeces  
<sup>E</sup> <sup>A A7</sup>  
 Não quero que a incerteza, te faça chorar <sup>Dm</sup>  
<sup>Am</sup>  
 Nós dois, amor juramos, eternamente  
<sup>Am</sup> <sup>E</sup>  
 E se os mortos amam, depois da morte  
<sup>Am</sup>  
 Amamos mais

<sup>A7</sup> <sup>Dm</sup>  
 Se eu morrer primeiro, tu me promete  
<sup>E</sup> <sup>Am</sup>  
 Sobre o meu peito inerte, deixar cair  
<sup>A7</sup> <sup>Dm</sup>  
 Todo o pranto que mostra, tua tristeza  
<sup>G</sup>  
 Para que todos saibam  
<sup>C</sup>  
 O teu querer  
<sup>A7</sup> <sup>Dm</sup>  
 Se morreres primeiro eu te prometo  
<sup>E</sup> <sup>A7</sup>  
 Que escreverei a história, do nosso amor <sup>Dm</sup>  
<sup>E</sup> <sup>Dm</sup>  
 Com minha alma cheia de sentimentos  
<sup>E</sup> <sup>Dm</sup>  
 Escreverei com sangue  
<sup>E</sup> <sup>Am</sup>  
 Com tinta sangue do coração
