

João Mulato & Pardinho - Metade de Ti

tom: D

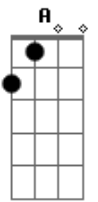

Se a saudade te doer demais
 Podes vir eu ainda te quero
 Pelo mundo não encontrarás
 Outro amor tão sublime e sincero
 Tu partiste só com meia vida
 Minha vida a metade perdeu
 Tu fugiste de mim de verdade

Mas da vida só tens a metade
 Pois a outra metade sou eu
 Não adianta fugir do destino
 Cedou tarde irás concluir
 Aos meus braços terás que voltar
 Para reencontrar a metade de ti
 Aos meus braços terás que voltar
 Para reencontrar a metade de ti
