

# João Neto e Frederico - Gastando Petróleo

Tom: **Ab**  
Intro: **Dbm Gbm Eb**

**Ab**  
A pior coisa do mundo é fazer papel de bobo **Eb**  
**Db** E de repente descobrir que existe outro **Bbm**  
Tocando aquele corpo que era só meu  
**Ab**  
Já deu

**Eb**  
Tantos quilômetros por essa estrada  
**Bbm**  
Saindo cedo e voltando só de madrugada  
**Db**  
Pra nada

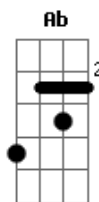

**Cm**  
Então deixa falar, o IPVA venceu e eu nem vou pagar  
**Bbm**  
Pra não correr o risco de te procurar

**Eb**  
Já encostei o carro e vou me afogar

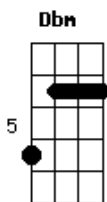

**Ab**  
E eu gastando petróleo  
**Eb**  
E pagando pedágio todo dia  
**Bbm**  
Indo atrás da traidora  
**Db**  
Lá na cidade vizinha

**Ab**  
E eu gastando petróleo  
**Eb**  
E pagando pedágio todo dia  
**Bbm**  
É melhor ficar bebendo  
**Db**  
Aqui no posto da esquina  
**Eb** **Ab**  
O álcool é mais barato do que a gasolina
