

# João Nogueira - Apoteose do Samba

Tom: G

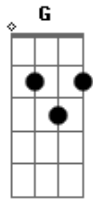

Samba Linda melodia que traz alegria  
 Na cidade ou na colina  
 Samba, orgulho dos brasileiros que na voz do seresteiro  
 Torna-se a apoteose divina  
 Vem de negros antepassados, de escravos acorrentados  
 Sob a luz do cativo seu som, ai o seu som  
 Embalava a Sinhá Maria que cantando assim sorria  
 E os negros batucavam no terreiro  
 La, laia, laia, laia, laia....  
 La, raira, raia, raia

Samba, és hoje da alta sociedade  
 Desce do morro pra cidade e já freqüentas o Municipal  
 Seu ritmo que o mundo inteiro já conhece  
 E o brasileiro se engrandece com tanta orquestração musical  
 Zico poeta da Cachoeira, tu que vivias nas matas  
 A ouvir os pássaros, tu que embalaste com teus sambas  
 Os meus sonhos de criança, vai minha homenagem  
 À arte da nossa terra  
 Que é a tua própria arte Samba  
 És hoje da alta sociedade  
 Desce do morro pra cidade e já freqüentas o Municipal  
 Seu ritmo que o mundo inteiro já conhece  
 E o brasileiro se engrandece com tanta orquestração musical
