

# João Nogueira - Wilson, Geraldo e Noel

Tom: G

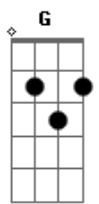

Eu bem que sabia, que o samba que eu tinha na mente  
 Era diferente com jeito de Wilson, Geraldo e Noel  
 Puxei a cadeira, não bati mais papo  
 Peguei a caneta e o guardanapo  
 Passei o samba pro papel  
 Nos versos botei a malícia lá da malandragem  
 Correr da polícia tem que ter coragem

Malandro que dorme vai cedo pro céu  
 Peguei o meu samba e fui logo mostrando a meiga Elizete  
 Ela disse sorrindo o "nêgo" tem topete  
 Já pode sambar lá em Vila Isabel  
 Daí em diante, eu já fui consagrado  
 Oh meiga Elizete, meu muito obrigado  
 E por outro lado  
 Obrigado a Wilson, Geraldo e Noel
