

João Pasquini - Restou o Sol

tom:

A

La vem o sol
 Pro dia renascer
 No Horizonte um novo amanhecer
 E vem trazendo, um tempo amigo
 Cheio de vida, e sem perigo

Lá vem o Sol
 Pro dia clarear
 E por fim anunciar
 Que o Tempo ruim passou, muito levou
 Mas mesmo assim, vida restou

Quando tudo parecia ser o fim
 Sei que foi difícil de entender
 Despedidas no lugar de estar

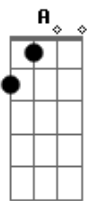

Juntos sem poder ficar

Quantas vidas se perderam no caminho
 Gente que devia estar aqui
 A saudade faz a gente pensar
 Que a tristeza não vai nos deixar

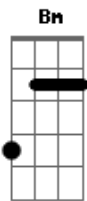

Lá vem o sol
 Pra vida renovar
 Num instante vai chegar
 Com a esperança, um novo tempo trazer
 Que nos permita querer viver

Lá vem o sol
 No horizonte enfim
 Anunciando o fim do fim
 Pra vida então seguir um novo rumo
 Depois de tudo um novo mundo
