

# João Paulo e Daniel - Choro de Amor

Tom: A

Intro: A Gbm D A Bm E7 A E7

A  
Se estou longe a saudade me aperta

Eu choro demais

Se estou perto só tenho alegrias

Eu choro demais

Gbm  
E assim levo a vida sonhando

E no sonho eu choro demais

Com isso eu tento esquecer

Todo instante só lembra você

Eu choro demais eu tento esconder

O meu choro de amor

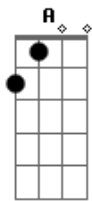

A  
Mas quando me lembro eu sinto uma dor

E bate tão forte, não quer mais parar

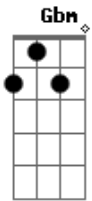

A E7 Gbm E7  
Por isso o consolo que eu tenho é chorar.

Solo: A Gbm D A Bm E7 A E7
