

# João Vitor Tenório - Vem Incendiar

tom:

C

G

C

Como nunca veio antes  
 Quero algo novo  
 Venha com teu fogo aqui

Rasgue o céu  
 faça morada em mim

Vem me incendiar

Hoje eu quero queimar

De amor

( Cadd9 G D )

Sobre o céu ou sobre a terra  
 Não a outro comparado a Ti  
 Sobre o céu ou sobre a terra  
 Não a outro comparado a Ti

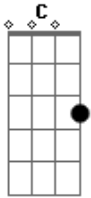

Nós te honramos

Glorificamos  
 Te adoramos

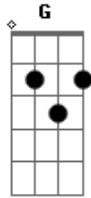

A Ti cantamos

Jesus
