

João Vitor Tenório - Vem Incendiar

tom:

C

G

C

Como nunca veio antes
 Quero algo novo
 Venha com teu fogo aqui

Rasgue o céu
 faça morada em mim

Vem me incendiar
 Hoje eu quero queimar

De amor

(Cadd9 G D)

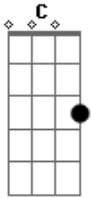

Sobre o céu ou sobre a terra
 Não a outro comparado a Ti
 Sobre o céu ou sobre a terra
 Não a outro comparado a Ti

Nós te honramos

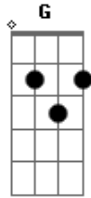

Glorificamos
 Te adoramos

A Ti cantamos
 Jesus
