[Primeira Parte]

Sloe gin, sloe gin
 Tryin' to wash away the pain inside
 Well, I'm sick and I'm all done in
 And I'm standing in the rain
 And I feel like I'm gonna cry

[Refrão]

I'm so damn lonely
 And I ain't even high
 I'm so damn lonely
 And I feel like I'm gonna die

[Segunda Parte]

Mayday, mayday
 I've been shot down over the
 Stormy sea
 Well I feel like I'm drifting away
 Can't seem to get a
 Grip on me Well I can't even try

[Refrão 2]

I'm so damn lonely

And I ain't even high
 I hate to go home alone
 But what else is new?
 I'm so damn lonely

 No matter if you live, No matter if you die

Sloe gin, sloe gin
 Tryin' to wash away the pain inside
 Well, I'm sick and I'm all done in

 Ain't even high
 I'm so damn lonely
