

Joe Brooks - I Find The Light In You

Tom: A

B
I don't think there's a word I've ever heard
E
That captures the innocence of you
B E
And I wouldn't want one too
B E
And no, I wouldn't want one too
Dbm
It'd be like smothering a star
Or covering a work of art
Gb
Driving so fast that the view falls apart
Dbm Abm
Like I do
Gb
Without you.

Chorus.

E B
But im on my way home
E B
And I'm worn to the bone
E Abm
And when my heart hits an all time low.
A
There's something shining through
B E
I find the light in you
B E
I find the light in you.

B
I don't think there's a sun that's ever shone
E
Brighter than the radius of you
B E
And I wouldn't want one too
B E
No, I wouldn't want one too
Dbm
It would be a far for ever tamed
A burn without the pain
Gb
A heat that never warms the things
Dbm Abm

Like you do.
Gb
Like you do.

E B
But im on my way home
E B
And I'm worn to the bone
E Abm
And when my heart hits an all time low.
A
There's something shining through
B E
I find the light in you

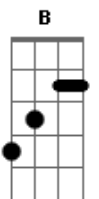

D
Take my hand and we can beat
Dbm
This glimmer of a dream
B
Out from the corner

Oooooo
D
Please your fingers it's a mind
Dbm
And we can find a world
E
If we believe it we can breathe it
B E B E
Breathe it into life. yeah
E B
And im on my way home
E B
I'm worn to the bone
E Abm
And my heart hits and all time low
A
There's something shining through
E B
But im on my way home
E B
And im worn to the bone
E Abm
And when my hearts hits an all time low
A
There's something shining through
B E
I find the light in you. (x8)
