

Joe Brooks - These Broken Hands Of Mine

Tom: D

(com acordes na forma de
Capostrate na 7ª casa
Intro: G D Em C

G)

Take a breath
I close my eyes
I am lost but try to find
What it is in this life
That gives me strength enough to fight
For something more

Pré-Refrão:

Well God knows my feet are aching
And I've got mountains I have to climb

Refrão:

One way at a time
I will try
To let these broken hands of mine
Give me strength
Be my light
One way at a time
These walls will fall
And fill our empty souls
Give me strength
Help me guide
And these broken hands of mine

Verso:

The sky is gray
It clouds your world
Clear the air
Just break the norm
Find a place
In your heart
Build a shelter
From this cold and winding road

Pré Refrão:

Well God knows your barely standing
But you've got to carry this heavy load

Refrão:

One way at a time
I will try
To let these broken hands of mine
Give me strength
Be my light
One way at a time
These walls will fall
And fill our empty souls
Give me strength
Help me guide
And these broken hands of mine
These broken hands of mine

Ponte:

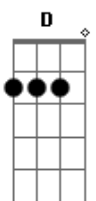

What if there's more?
What if there's moooore?
What if there's more than this?
What if there's more out there?

Yeahhh

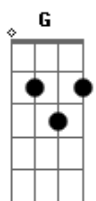

Refrão:

One way at a time
I will try
To let these broken hands of mine
Give me strength
Be my light
One way at a time
These walls will fall
And fill our empty souls
Give me strength
Help me guide
And these broken hands of mine
These broken hands of mine
