

# Joe Cocker - Space Captain

Tom: F

G Am F C  
Once I was traveling across the sky

G Am F C  
This lovely planet caught my eye

G Am F C  
And being curious I flew close by

G Am F  
And non I'm caught here until I die

C B Am G F  
Until we die

C7 F  
Learning to live together

C7 F  
Learning to live together

C7 F  
Learning to live together

Bb F  
Till we die

(Repete tudo)

I lost my memory of where I've been  
We all forgot that we could fly  
Someday we'll all change into peaceful man  
And we'll return into the sky until we die

(Refrão)

Until we die  
Learning to live together  
Learning to live together  
Learning to live together  
Till we die  
Live together, yeah,  
Learning to live together  
Till we die  
Learning to live together  
Learning to live together  
Learning to live together  
Learning to live together  
Till we die
