Version...: 4th October 2006

Comment...: While searching for this song on the web, I found some real crap and some medium crap, but nothing really satisfying, so here is my premium interpretation of this song. Nevertheless I thought about transposing this song into E-Minor for a possible Metal-Version of this cool song, but for now the original way should be quite enough. :-)

Song Key...: C-Minor

[INTRO]

(Nice lick over Eb, also using during the Bridge near the end of the song.

Try to play it quite smoothly, maybe using hammer-on's.)

This one 3 times:

Then this one quickly played:
