

Joey Tempest - Superhuman

tom:

Intro: Gm Eb Bb F

Eb7M
It hurts me to lean on you what can I say
Nothing I know suits me so fine I take the blame

All I can see right now is that its dark

And Ive lost your heart
Were still waiting for the one
Were still falling for a superhuman

Were still dreaming of a superhuman now
Were still dreaming of a superhuman now

Were still dreaming of a superhuman now

Shallow beliefs I know tell me Im wrong
Are you happy now as I know that you are strong
Im sorry bout something but I dont seem to know
How to let you go

(F Gm)

Were still waiting for the one
Were still falling for a superhuman
Keeps our hearts from moving on
Were still dreaming of a superhuman now
You better believe in something before you go
