

Jay Jay Johanson - On The Radio

tom: Intro: Am Dm E Dm Am You better watch your step You must be on your guard And take it slow And promise me be careful of What you do I know youre strong Dm I know you'll make it on your own Without my help But please make sure you won't Be by yourself Everytime I hear my song Am On the radio I keep moving closer And closer to you Dm Everytime the DJ_is playing my song I can feel you here by my side Am All night long

Take it from the start And try again You got to be much faster Am If you can You probably will fail No matter how you try It's not enough It takes so much Dm To make it to the top Everytime I hear my song Am On the radio Dm I keep moving closer And closer to you Dm Everytime the DJ is playing my song
F Dm I can feel you here by my side E Em All night long Let's go down To the dancefloor if you dare Dm Now's the time To show that you're not scared

You got to be much harder
