

John and Jane Q. Public - Watermelon

tom:

C

I'm a watermelon slammed into your driveway

Crack me open so I feel the air inside me

Am

Like a tongue, tongue

C

In my ear drum, dum-dum

G

Music boyfriend, I'm your yum-yum

Am

Call me and I'll come

Am

Fuck the rest of 'em

C

Fuck 'em all

C

G

Fuck 'em all but us

C

Am I dreaming, or did you just kiss me?
