Lyrics

I could be loud man, I could be silent  
I could be young man or I could be old  
I could be a gentleman, or I could be violent  
I could turn hot man or I could be cold  
I could be just like the calm before the storm boy waitin' for  
all hell yeah to break loose  
I could be innocent or I could be guilty  
Doesn't mean that I won't believe in the news  
So I'm singing ...

I could be rich like a wondering gypsy  
I could be poor like a fat wallet lost  
I could be the first man or I could come last  
It's not who breaks the ribbon boy it's how you get across  
I could be red, blue, black or white sunset  
As dark as a day boy or bright as a night  
I could be the sun boy or I could be the moon  
I made it from the stars boy I'm shining so bright  
So I'm singing...

I could be asleep boy, or I could be awake  
I could be alive and a be the walking dead  
I could be ignorant or I could be informed  
I could lead my life man or I could be lead  
I could be anything I put my mind to boy all I gotta do is  
give myself a half a chance  
I could bring love back into my life  
And share it with the world if I had some balance
