Intro:

Verse Lyrics

Chorus

I could be a gentleman, or I could be violent I could turn hot man or I could be cold I could be just like the calm before the storm boy waitin' for

all hell yeah to break loose I could be innocent or I could be guilty Verse

Doesn't mean that I won't believe in the news

I could be loud man, I could be silent

I could be young man or I could be old

So I'm singing ...

So I'm singing...

I could be rich like a wondering gypsy I could be poor like a fat wallet lost I could be the first man or I could come last It's not who breaks the ribbon boy it's how you get across I could be red, blue, black or white sunset As dark as a day boy or bright as a night I could be the sun boy or I could be the moon I made it from the stars boy I'm shining so bright

I could be asleep boy, or I could be awake $\,$ I could be alive and a be the walking dead I could be ignorant or I could be informed I could lead my life man or I could be lead

I could be anything I put my mind to boy all I gotta do is

give myself a half a chance

I could bring love back into my life

And share it with the world if I had some balance
