Notes:
-This is not how John Butler plays devil running (he plays it in
open C tuning), but this version is based on it as accurately as
possible, while keeping it relatively simple.
-If you don't want to play this in Drop D tuning, you can simply
ignore the bottom line of the tab completely and play the
following powerchords for the chorus and bridge:

Chorus
D Bb G F

Bridge
F G

Bb C
