

# John Butler Trio - Fool For You

Tom: G  
Intro: G C E D

G C E D  
Two atoms, they collide

G C E D  
In all the random ways

G C E D  
In the heat of you and I

G C E D  
Not so random, some might say

G C E D  
She walks up close to me

G C E D  
She looks me in the eyes

G C E D  
She said "Boy, what's it gonna be,

G C E D  
Now that it's just you and I?"

REFRÃO:

G C E D  
I'm a fool

G C E D  
I'm a fool for you (x2)

G C E D  
So I stepped up to the plate

G C E D  
To a place I thought I'd never be

G C E D  
So I'm making new today

G C E D  
Because of you, I am now me

G C E D  
For days are dark and blue

G C E D  
When we was our only friend

G C E D  
For all that we've been through

G C E D

And go through again

D  
All I say,

G  
I'm gonna come

C  
I'm gonna stand

E D  
I'm gonna live my life beside you

G  
I'm a proud

C  
A proud man

E D  
I'm the same man

(o resto é igual)  
I'm just a fool  
I'm a fool for you  
I'm a fool  
I'm a fool for you

Two atoms, they collide  
You and I we make them child  
What lovely creatures they are  
Something right from the start

And I helped you bring them forth  
I offered us a place to land  
An overflow of love  
Fallen right into my hands

All I say,  
I'm gonna come  
I'm gonna stand  
I'm gonna live my life beside you alminha  
I'm a proud  
A proud man  
A proud man to be walking right next to your shoes  
You're the one, my soul  
The only on  
The only one that's just right, just for me  
But all the same  
You know I... You know I'm...

I'm just a fool  
I'm a fool for you  
I'm a fool  
I'm a fool for you
