

John Butler Trio - Pickapart

Tom: **Bb**

Words and Music: John Butler
Transcribed by Frank Podmore

Tuning-CGCGCE. John uses a 12 String with one of the strings removed (the octave **G**) so if playing a standard 6 String this won't sound quite right.

There's a lot of slide in this song, but I haven't mentioned where 'coz you should be to hear where it's used. If you really can't tell, get another hobby.
Intro:

Verse

Other Bit

I haven't tabbed the whole thing (solos and a number of fills missed out) because 1), really hard and 2), there's not really a precise art to playing John Butler songs, as who's heard any of his live recordings knows. Just screw around with it, make it your own & enjoy yourself.

Acordes
