

# John Butler Trio - Revolution

Tom: G

Verso 1:

So tell me <sup>Em</sup> family now what do you think?  
 Watch it all go down the great big sink, <sup>C</sup> <sup>A</sup>  
 watch how the scum it rises to the top. <sup>Em</sup> <sup>G</sup>  
 Don't you wonder when it's all gonna stop? <sup>C</sup> <sup>A</sup>  
 Sometimes I wonder how we do sleep, <sup>Em</sup> <sup>G</sup>  
 serving the dodgy companies we keep. <sup>C</sup> <sup>A</sup>  
 All kicking and scrounging for the very first place <sup>Em</sup> <sup>G</sup>  
 dictionary definition of a rat race. <sup>C</sup> <sup>A</sup>  
 Pay off those losers we elect to lead. <sup>Em</sup> <sup>G</sup>  
 stealing from the mouths that we're meant to feed. <sup>C</sup> <sup>A</sup>  
 Enslaving the very clothes upon my back, <sup>Em</sup> <sup>G</sup>  
 I feel the sting but I hear no crack, no crack, I'm sayin.. <sup>C</sup> <sup>A</sup>

Refrão:

Running through the fire, <sup>C</sup> <sup>G</sup>  
 running through the flame, <sup>Em</sup>  
 Running through the hatred, <sup>D</sup>  
 pushing through the blame, <sup>C</sup>  
 running through the hopelessness and shame, <sup>G</sup> <sup>D</sup>  
 Revolution already underway <sup>C</sup>

Verso 2:

Big heavy pirates man digging those holes, <sup>Em</sup> <sup>G</sup>  
 messing with something that they can't control. <sup>C</sup> <sup>A</sup>  
 Trespassing lands where they don't belong, <sup>Em</sup> <sup>G</sup>  
 all I hear is screaming whee there once were songs. <sup>C</sup> <sup>A</sup>  
 I got my brothers there fighting those wars, <sup>Em</sup> <sup>G</sup>

fighting over scraps and scraping their sores. <sup>C</sup> <sup>A</sup>  
 Under a blanket of a fire and pride that can't keep us warm <sup>Em</sup> <sup>G</sup>  
 for the cold  
 inside, inside,  
 I'm saying <sup>C</sup>

Refrão:

Running through the fire, <sup>C</sup> <sup>G</sup>

 Running through the hatred, <sup>D</sup>  
 pushing through the blame, <sup>C</sup>

Verso 3:

So tell me when you think we're gonna rise? <sup>Em</sup> <sup>G</sup>  
 Wake from this slumber wipe the tears from our eyes? <sup>C</sup> <sup>A</sup>  
 Yes from this nightmare yes I must now wake, <sup>Em</sup> <sup>G</sup>  
 open my fist my destiny I take! <sup>C</sup> <sup>A</sup>  
 Good people sick and tired of being pushed around, <sup>Em</sup> <sup>G</sup>  
 we call them kings but I see no crown. <sup>C</sup> <sup>A</sup>  
 Tell me when you think we'll just stand up? <sup>Em</sup> <sup>G</sup>  
 Say enough is enough is enough, enough, I'm saying <sup>C</sup> <sup>A</sup>

Refrão:
