

John Butler Trio - Zebra

Tom: **A**

Chorus 2

Standard Tuning

Intro:

Verse

Lyrics

Chorus

I could be loud man, I could be silent
 I could be young man or I could be old
 I could be a gentleman, or I could be violent
 I could turn hot man or I could be cold
 I could be just like the calm before the storm boy waitin' for
 all hell yeah to break loose
 I could be innocent or I could be guilty
 Doesn't mean that I won't believe in the news
 So I'm singing ...

Verse

Chorus 2

I could be rich like a wondering gypsy
 I could be poor like a fat wallet lost
 I could be the first man or I could come last
 It's not who breaks the ribbon boy it's how you get across
 I could be red, blue, black or white sunset
 As dark as a day boy or bright as a night
 I could be the sun boy or I could be the moon
 I made it from the stars boy I'm shining so bright
 So I'm singing...

Solo

I could be asleep boy, or I could be awake
 I could be alive and a be the walking dead
 I could be ignorant or I could be informed
 I could lead my life man or I could be lead
 I could be anything I put my mind to boy all I gotta do is
 give myself a half a chance
 I could bring love back into my life
 And share it with the world if I had some balance
