Chorus 2

Standard Tuning

Intro:

Verse

Lyrics

Chorus

I could be loud man, I could be silent  
 I could be young man or I could be old  
 I could be a gentleman, or I could be violent  
 I could turn hot man or I could be cold  
 I could be just like the calm before the storm boy waitin' for  
 all hell yeah to break loose  
 I could be innocent or I could be guilty  
 Doesn't mean that I won't believe in the news  
 So I'm singing ...

Verse

Chorus 2

I could be rich like a wondering gypsy  
 I could be poor like a fat wallet lost  
 I could be the first man or I could come last  
 It's not who breaks the ribbon boy it's how you get across  
 I could be red, blue, black or white sunset  
 As dark as a day boy or bright as a night  
 I could be the sun boy or I could be the moon  
 I made it from the stars boy I'm shining so bright  
 So I'm singing...

Solo

I could be asleep boy, or I could be awake  
 I could be alive and a be the walking dead  
 I could be ignorant or I could be informed  
 I could lead my life man or I could be lead  
 I could be anything I put my mind to boy all I gotta do is  
 give myself a half a chance  
 I could bring love back into my life  
 And share it with the world if I had some balance
