Honey, honey

I can see the stars all the way from here
Can't you feel

The glow on the window pane?

I can feel the Sun whenever you're near
Everytime you touch me, I just melt away

Everybody ask me why I'm smiling up
From ear to ear, but I know

Nothing's perfect, but it's worth it
After fighting through my tears
And finally you put me first

Baby, it's you (you)
You're the one I love (love)
You're the one I need
You're the only one I see

Come on, baby, it's you (you)
You're the one that gives your all (all)
You're the one I can always call

When I need to make everything stop
Finally, you put my love on top

Oh-oh, come on, baby
You put my love on top
Top, top, top, top
You put my love on top

And baby, baby
I can hear the wind whipping past my face
As we danced the night away
Girl, your lips taste
Like the night of champagne

As I kiss you again, and again
And again, and again

But everybody ask me why I'm smiling up
From ear to ear, but I know
Nothing's perfect but it's worth it
After fighting through my tears
And finally you put me first

Baby, it's you
You're the one I love (love)
You're the one I need
You're the only one I see

And come on, baby, it's you (you)
You're the one that gives your all (all)
You're the one I can always call
When I need to make everything stop
Finally, you put my love on top
You're the one I love (love)
Baby, you're all I need
You're the only one I see

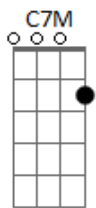

So come on, baby, it's you (you)
You're the one that gives your all (all)
And you're the one I can always call
When I need to make everything stop
Finally, you put my love on top

You're the one I love (love)
Baby, you're all I need
And you're the only one I see

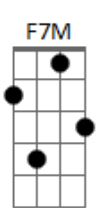

So come on, baby, it's you (you)
You're the one that gives your all (all)
You're the one I can always call
When I need you, you make everything stop
Finally, you put my love on top
