tom:

Intro: C G Am F  
C G Am F

[Primeira Parte]

C G  
Shadows of chaos loom  
Am F  
This feeling of falling forward  
C G  
This dizzy spell that I'm under  
Am F  
We plunder down

C G  
Darling, look in these eyes  
Am F  
There once was a flame, a fire  
C G  
That burned through these hills of desire  
Am F  
Now ashes blow in the wind

[Refrão]

C G  
One last kiss before we go  
Am F  
One last breath for me to hold  
C G  
One last look that moves my soul  
Am F  
One last... One last

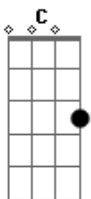

C G  
Chance for me to stay  
Am F  
Cross your heart, begin to pray  
C G  
All the words that we say  
Am F  
Fade into the mist  
C G  
With one last kiss

[Segunda Parte]

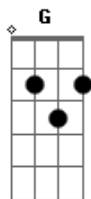

C G  
The silence that fills the room  
Am F  
Ghost of a memory lingers  
C G  
Your fingers still on the glass  
Am F  
Future turns into past

C G  
Soft as the bloom of rose  
Am F
