

## John D.k. - At The Dawn Of Hope

tom: Intro: E Dbm A B The oriental world is in crisis Violence spreading, fear arising You are too young for hatred, seek true peace Believe in love, what you hold is a Bible And in the Jordan River, life is flowing But tell me more and more again, my friend Oh, don?t you believe we?re at the dawn of hope? Don?t you understand what I?m trying to say? Can?t you feel the peace I?m feeling today? Even if darkness comes, there?s a path to follow There?s someone who can save us, in His grace we trust Look around, boy, see the light shining, boy And you tell me more and more and more again, my friend Oh, don?t you believe we?re at the dawn of hope?

Yes, my heart is so full, it feels like it will overflow

I?m just sitting here, contemplating I cannot twist the truth, it is eternal A handful of righteous men can make a difference And peace marches can bring reconciliation When human respect is restored Everyone will see the beauty of creation And you tell me more and more and more again, my friend Oh, don?t you believe we?re at the dawn of hope? Think of all the love in Christ's heart! Then look around and see the goodness He brings! Oh, you can leave this place, but love goes with you And when you return, love will still be here The beating of drums, the pride in His grace You can bury the past, but let love prevail Love your neighbor and remember to give thanks And you tell me more and more and more again, my friend Don?t you believe we?re at the dawn of hope? Don?t you believe we?re at the dawn of hope?
