

John D.k. - Em Paz Me Deito

tom:

Answer me, Lord, in my distress
 Give me relief, hear my prayer
 People seek vanity and delusion
 But I trust, Lord, in Your hand

 In peace I lie down and sleep
 For only You, Lord, make me dwell
 Fill my heart with joy, Lord
 Greater than the grain and wine bring

 Greater than the grain and wine bring

When I lie down, I reflect and stay calm
 I trust in You, Lord, my Protector
 Make Your light shine on us
 Only in You, Lord, I find peace

 I offer You my sacrifice
 I trust in You, my faithful refuge

 In peace I lie down and sleep
 For only You, Lord, make me dwell
 Fill my heart with joy, Lord
 Greater than the grain and wine bring
