

John Denver - Cowboys Delight

Tom: G (h)

Intro: A A A A (2x) (h)

Sing songs of the sunrise into the night
 the stars as a timepiece make it all right
 Make friends with the darkness, talk to the moon
 and when the light lifts,
 you can let out a tune

Then to the mountains, climbed through the sky
 They showed there their whiteness, watched their gold fly
 Shared in their treasures, shook at their might
 Spoke softly in wonders... cowboy's delight

Sing songs of the sunrise into the night
 the song of the mountains... cowboy's delight
 the stars as a timepiece make it all right
 Sing songs of the mountain...
 cowboy's delight

Acordes
