

John Denver - Follow Me

Tom: D

It's by far the hardest thing I've ever done
to be so in love with you and so a-lone

Chorus

Follow me where I go what I do and who I know
make it part of you to be a part of me
follow me up and down all the way and all around
take my hand and say you'll follow me

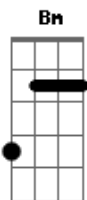

It's long been on my mind you know it's been a
long, long time,
You see, I'd like to share my life with you and show you
things I've seen,
I'll try to find the way that I can make you
understand
places that I'm going to places where I've been
the way I feel about you and just how much I need you
to be there where I can talk to you when there's no
one else around.
and all the time that you're with me then we will be at
home.
