 Take your face to the god
 Am G F
 No one works so hard

 To keep you out
 Am G F
 Play your hand
 Am G F
 Before its your turn to fade out
 Am G
 Make her into a fan of him
 Am C
 He would die

Am G F
 Just to take fate somewhere it could have been
 F G
 Had it been otherwise
 Am G F
 Trading the far for the near
 Am G F
 Stand, your body's clear
 Am G F
 Oh what you understand
 Am G F
 Some love fakes you, step where
 Am G F
 We stayed to go
 Am G F
 It's not always the move
 Am G F
 We say it for show
 Am G F
