

# John Legend - Love Me Now

Tom: G

Intro: Em C D Bm

[Verse 1]

Pulling me further, further than I've been before  
 Making me stronger, shaking me right to the core, oh  
 Oh, I don't know what's in the stars  
 Never heard it from above, the world isn't ours  
 But I know what's in my heart, if you ain't mine I'll be torn apart

[Chorus]

I don't know who's gonna kiss you when I'm gone  
 So I'm gonna love you now, like it's all I have  
 I know it'll kill me when it's over  
 I don't wanna think about it, I want you to love me now  
 I don't know who's gonna kiss you when I'm gone  
 So I'm gonna love you now, like it's all I have  
 I know it'll kill me when it's over  
 I don't wanna think about it, I want you to love me now

[Post-Chorus]

Love me now, love me now  
 Oh, oh, love me now, oh, oh, oh, yeah  
 Love me now, love me now  
 Oh, I want you to love me now

[Verse 2]

Something inside us knows there's nothing guaranteed, yeah  
 Yeah, girl I don't need you to tell me that you'll never leave, no  
 When we've done all that we could to turn darkness into light, turn evil to good

Bm

Even when we try so hard for that perfect kind of love, it could all fall apart

[Chorus]

I don't know who's gonna kiss you when I'm gone  
 So I'm gonna love you now, like it's all I have  
 And I know it'll kill me when it's over  
 I don't wanna think about it, I want you to love me now

[Post-Chorus]

Love me now, love me now  
 Oh, love me now, oh, oh, oh  
 Love me now  
 Love me now

[Bridge]

Oh, I don't know how the years will go down, it's alright  
 Let's make the most of every moment tonight

[Chorus]

I don't know who's gonna kiss you when I'm gone  
 So I'm gonna love you now, like it's all I have  
 I know it'll kill me when it's over  
 I don't wanna think about it, I want you to love me now  
 I don't know who's gonna kiss you when I'm gone  
 So I'm gonna love you now, like it's all I have  
 I know it'll kill me when it's over  
 I don't wanna think about it, I want you to love me now

[Post-Chorus]

Love me now, love me now  
 Oh, oh, love me now, oh, oh, oh, yeah  
 Love me now, love me now  
 Oh, I want you to love me now
