

# John Legend - Never Break

tom:

Intro: E E A  
 Oh, yeah  
 [Primeira Parte]  
 We got a good thing, babe  
 Whenever life is hard  
 We'll never lose our way  
 'Cause we both know who we are  
 Who knows about tomorrow?  
 We don't know what's in the stars  
 I just know I'll always follow  
 The light in your heart

[Pre-Refrão]

I'm not worried about us  
 And I've never been  
 We know how the story ends

[Refrão]

We will never break  
 We will never break  
 Built on a foundation  
 Strong enough to stay  
 We will never break  
 As the water rises  
 And the mountains shake  
 Our love will remain

[Post-Refrão]

We will never  
 No, no, never  
 We will never  
 Nah, nah, never

[Verse 2]

You are the explanation  
 Of what love really means

When we talk about forever  
 Then forever's what we mean

[Pre-Refrão]

So I'm not worried about us  
 And I've never been  
 No matter what may come our way

[Refrão]

We will never break  
 We will never break  
 Built on a foundation  
 Stronger than the pain  
 We will never break  
 As the water rises  
 And the mountains shake  
 Our love will remain

[Post-Refrão]

We will never  
 Nah, nah never  
 We will never  
 Nah, nah never  
 We will never  
 Nah, never  
 We will never  
 No

[Bridge]

The world is dangerous  
 Throw it all at us  
 There's nothing we cannot take

[Refrão]

We will never break  
 We will never break  
 Built on a foundation  
 Strong enough to stay  
 We will never break  
 As the water rises  
 And the mountains shake  
 Our love will remain

[Post-Refrão]

We will never

Nah, nah never  
 We will never  
 Nah, nah never  
 We will never  
 Nah, never  
 We will never  
 No

[Final]  
 We will never  
 No, never  
 We will  
 No
