And we will keep it rocking until she comes knocking

Ooh I don't care about the priority  
Let's break the rules and ignore society  
Maybe our neighbor like to spy too  
So what if they watch when we do what we do

I wanna kiss u underneath the stars  
Maybe we'll go too far  
We just don't care  
We just don't care  
We just don't

Let's make love,  
let's go somewhere they might discover us  
Let's get lost in lies  
We just don't care  
We just don't care  
We just don't care
