Let's sneak and do it when your boss is gone
Everybody's leaving we'll have some fun

Creep to the bedroom while your Mama's out
Maybe she will hear it when we scream and shout
And we will keep it rocking until she comes knocking

Ooh I don't care about the priority
Let's break the rules and ignore society
Maybe our neighbor like to spy too
So what if they watch when we do what we do

Maybe we'll go too far
We just don't care
We just don't care
We just don't

Let's make love,
let's go somewhere they might discover us
Let's get lost in lies
We just don't care
We just don't care
We just don't care
