

# John Legend - Start a Fire

Tom: Db

I don't know why I keep moving my body  
 I don't know if this is wrong or if it's right  
 I don't know if there's a beat, or something's taking over me  
 And I just know I'll feel so good tonight  
 I don't know what your name is but I like it  
 I've been thinking 'bout some things I wanna try  
 I don't know what you came to do, but I wanna do it with you  
 And I just know I'll feel so good tonight

Oh, if we keep on dancing  
 Take our rhythm to new heights  
 Feel the heat of passion, baby  
 Light up the night  
 We could start a fire  
 Come on, let it burn baby  
 We could start a fire  
 Let the tables turn baby  
 We could start a fire  
 I just know I feel so good

Don't you know I feel so good  
 I just know I feel so good  
 Tonight  
 I don't care if this tuns into a riot  
 Lets get reckless, tear this place down to the floor  
 Turn the music way up loud  
 Can't nobody stop us now  
 I just know I feel so good tonight  
 I just know I feel so good tonight

Solo (Bbm Db Bbm Db Gb Eb7 Ab F7 )  
 We could start a fire  
 Come on, let it burn baby  
 We could start a fire  
 Let the tables turn baby  
 We could start a fire

I just know I feel so good  
 Don't you know I feel so good  
 Don't you know, don't you know?  
 Tonight
