

# John Lennon - Born In a Prison

Tom: D

C Cm G A

We're born in a prison, raised in a prison

Send to a prison called school,

We cry in a prison, We love in a prison,

We dream in a prison, like fools.

Wood becomes a flute when it's loved,

reach for yourself and your battered mates.

Mirror becomes a razor when it's broken,

Look in the mirror and see your shattered fate.

C Cm G A

We live with no reason, kicked round for no reason,  
Thrown out without reason like tools.

Work in a prison and hate in a prison  
And die in a prison as a rule.

Wood becomes a flute when it's loved,  
reach for yourself and your battered mates.

Mirror becomes a razor when it's broken,  
Look in the mirror and see your shattered fate.

We live in a prison among judges and wardens  
And wait for no reason or use

We laugh in a prison, go through all four seasons  
And die with no vision or truth

Wood becomes a flute when it's loved,  
reach for yourself and your battered mates.

Mirror becomes a razor when it's broken,  
Look in the mirror and see your shattered fate.
