

John Lennon - Borrowed Time

Tom: A

D A E
 When I was younger a-ha
 Living confusion and deep despair
 When I was younger a-ha
 Live in illusion of freedom and power

When I was younger a-ha
 Full of ideals and broken dreams, my friend
 When I was younger a-ha
 Everything simple but not so clear

Refrain: (always two times!)

D E A A A A A2 A

Living on borrowed time
 D E
 Without a thought for tomorrow

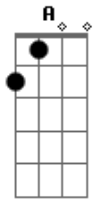

Now I am older a-ha
 The more I see the less that I know for sure
 Now I am older a-ha
 The future is brighter and now is the hour

Refrain: ...

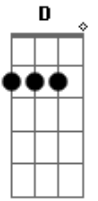

Good to be older a-ha
 Would not exchange a single day or a year
 Good to be older, a-ha
 Do not believe in those days I missed

Refrain: ...
