 Got to get down, down on my knees.
 [E] Doot doo doo doo, doot doo doo doo.
 Going down on [F#m]love, [C#m] going down on [F#m]love,
 [A] going down, going [Gb]down, going down.
 [B] When the real thing goes wrong [E]
 [B] and you can't get it on. [E]
 [B] And your love, she has gone [E]
 [B] And you got to carry on. [E]
 [B] And you shoot out the light,
 ain't coming home for the night,
 You know you [E]got to, got to, got to pay the price.
 [A] Somebody please, please help [F#m]me.
 [A] you know I'm drowning in a [F#m] sea of hatred. [A]
 I [A]got to get down, down on my knees.

Got to get down, down on my knees.
 [Bm7 E Bm7 E]
 Doot doo doo doot, doot doo doo doo.
 Going down on [F#m]love, [C#m] going down on [F#m]love,
 [A] going down, going [Gb]down, going down.
 [B] Something precious and rare [E]
 [B] disappears in thin air. [E]
 [B] And it seems so unfair, [E]
 [B] nothing doin' nowhere. [E]
 [B] Well, you burn all your boats,
 and you sow your wild oats,
 Well, you [E]know, you know, you know the price is right.
 [A] Got to get down, down on my knees.
 Got to get down, down on my knees.
 [A] Got to get down, down on my knees.
 Got to get down, down on my knees. (Oh!)
 [Bm7 E] Repeat and fade.
