

John Lennon - I Know (I Know)

Tom: A
Intro:

^A
 The years have passed so quickly
^E
 One thing I've understood
^{A Dbm Gbm A}
 I am only learning
^{D E A}
 To tell the trees from wood..

^{A E}
 I know what's coming down
^{D A}
 And I know where it's coming from
^{A Bm7 E}
 And I know and I'm sorry (yes I am)
^{D E A}
 But I never could read your mind.

^{A E}
 And I know just how you feel

^{D A}
 And I know now what I have done
^{A Bm7 E}
 And I know and I'm guilty (yes I am)
^{D E A}
 But I never could speak my mind.

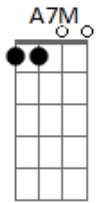

^A
 I know what I was missing
^E
 but now my eyes can see
^{A Dbm Gbm A}
 I put myself in your place
^{D E A}
 as you did for me

^{D E A Dbm Gbm A}
 Today I love you more than yesterday
^{D A Dbm Gbm}
 Right now I love you more right now

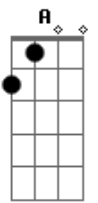

^{A E}
 I know what's coming down
^{D A}
 I can feel where it's coming from
^{A A7M Bm7 E}
 And I know it's getting better all the time
^{D E A}
 As we share in each other's minds.

^{D E A Dbm Gbm A}
 Today I love you more than yesterday
^{D E A Dbm Gbm}
 Right now I love you more right now
^{D E A Dbm Gbm}
 Ooh hoo no more crying X4
