

John Lennon - India, India

Tom: E

India, India, take me to your heart
 Reveal your ancient mysteries to me
 I'm searchin' for an answer, but somewhere deep inside
 I know I'll never find it here - it's already in my mind
 India, India, listen to my plea
 Sit here at your feet so please don't leave
 I'm waiting by the river but somewhere in my mind
 I left my heart in england with the girl I left behind
 I've got to follow my heart wherever it takes me

I've got to follow my heart wherever it calls to me
 I've got to follow my heart and my heart is going home
 India, India - listen to my plea
 I sit here at your feet so patiently
 I'm waiting by the river but somewhere in my mind
 I left my heart in england with the girl I left behind
 I've got to
 Follow my heart wherever it takes me
 I've got to follow my heart wherever it calls to me
 I've got to follow my heart and my heart is going home
