Tom: D

Bm G Bm You are my weakness C C C G You are my strength D D D Nothing I have in the world D G Makes better sense G Gb 'Cause I'm the fish and you're the sea

When we're together Or when we're apart There's never a space in between The beat of our hearts 'Cause I'm the apple and you're the tree

Acordes

One day at a time is good for you

You are my woman I am your man Nothing else matters at all Now I understand That I'm the door and you're the key

And every morning I wake in your smile Feeling your breath on my face And the love in your eyes 'Cause you're the honey and I'm the bee

One day at a time is all we do One day at a time is good for us two (you too)

Saxophone solo over verse chords, end with:

G Gb G 'Cause I'm the fish and you're the sea 'Cause I'm the apple and you're the tree 'Cause I'm the door and you're the key 'Cause you're the honey and I'm the bee
