

John Lennon - Steel Glass

Tom: C

8/7/07

This is my first proper tab, taught myself how to play the guitar, been learning for the 3 months, figured out this tune by me self. Its pretty accurate considering theres no out there for this song. Lemmie know what you think & if theres any parts I could change would work better.

Peace

Steel & Glass
From the "Walls & Bridges" Album

Standard Tuning
Intro: Pick A minor

Am

(This is a story about your friend and mine...
Who is it, who is it, who is it?)

Verse:

Strum to beat of the tune

Am C D E

There you stand with your L.A. tan
And your New York walk and your New York talk
You're mother left you when you were small
But you're gonna wish you wasn't born at all

Chorus:

(Strum) (Pick) (Strum)
D D D

Strum

Lennon Hum's Tune

2nd Verse:

Strum

Am C D E

Your phone don't ring no one answers your call
How does it feel to be off the wall

Am C D Am

Am C D E

Well your mouthpiece squawks as he spreads your lies
But you can't pull strings if your hands are tied
Well your teeth are clean but your mind is capped
You leave your smell like an alley cat

Chorus:

(Strum) (Pick) (Strum)
