

John Mark McMillan - I Am a Temple

Tom: C

C
 Deep inside me
G
 There's this burning
Am F
 That just won't let me go
 You are my fire
 You are my righteousness
 You are my rock in roll

I wish I could fit you
 Down inside my chest God
 I wish I could swallow you whole
 I'd wrap you up
 In a blanket of my skin
 And you could call my body home

C
 I **Am A** temple
G
 I **Am A** temple
F
 My body is a temple

G F
 I am a temple, I... (repeat)

G C
 So what if I'm not worthy

Am G
 So what if I'm not worthy

G
 So what if I'm not worthy

Am G
 You have made me clean

C G
 I can't get over how quickly you recover

Am F
 The pieces of my heart as they shatter

C
 Cause in your hands I am

G
 More than just a brand new man

Am
 And all my falling down now

F
 Well, Its just don't matter
