

# John Mark McMillan - I Am a Temple

Tom: C

**C**  
 Deep inside me  
**G**  
 There's this burning  
**Am F**  
 That just won't let me go  
 You are my fire  
 You are my righteousness  
 You are my rock in roll

I wish I could fit you  
 Down inside my chest God  
 I wish I could swallow you whole  
 I'd wrap you up  
 In a blanket of my skin  
 And you could call my body home

**C**  
 I **Am A** temple  
**G**  
 I **Am A** temple  
**F**  
 My body is a temple

**G F**  
 I am a temple, I... (repeat)

**G C**  
 So what if I'm not worthy  
**Am**  
 So what if I'm not worthy  
**G**  
 So what if I'm not worthy  
**Am G**  
 You have made me clean

**C G**  
 I can't get over how quickly you recover  
**Am F**  
 The pieces of my heart as they shatter  
**C**  
 Cause in your hands I am  
**G**  
 More than just a brand new man  
**Am**  
 And all my falling down now  
**F**  
 Well, Its just don't matter
