```
Tom: C
                                                                Whoa-oh
 (forma dos acordes no tom de G )
Capostraste na 5º casa
                                                                Whoa-oh
            G
Chase me down like a lion
Like a bird of prey
Lift me up from the ashes of my hearts
Own shallow graves
I know that I love You
But sometimes I'm afraid
Whoa-oh
Whoa-oh-oh-oh
                                                                Whoa-oh
Whoa-oh
Whoa-oh-oh-oh-oh
                                                                Whoa-oh
Spare my body from the wolves, God
That crouch down at my door
Lift me up above the waters and
The sharks that guard Your shores
I know that I need You
Just sometimes I know it more
```
